ADELPHI BASIN MIXER

TECHNICAL DRAWING

PRODUCT DESCRIPTION

WELS 5 Star rated

The Adelphi range gives you a modern sleek look throughout the house. The stylish, clean lines combine with the practicality of a non-slip handle and durable solid brass construction.

Adelphi has an ingenious design requiring two distinct movements to achieve full flow. This helps avoid splashing and scalding. A ceramic disc cartridge offers greater flow control and trouble free operation.

Basin Mixers are WELS 5 star rated, 6 litres per minute

Sink Mixer is WELS 4 star rated, 7.5 litres per minute
