

First Need[®]

Portable Water Purifier

General Ecology, Inc.

Certified to U.S. Federal
(EPA) Standards for
Microbiological Purifiers

First Need® Portable Water Purifier

TECHNICAL SPECIFICATIONS

Flow Rate.....	1.8 (qt./min.)
Average Capacity*.....	125 gallons (1,000 pints)
Temperature Range.....	33°F (.5°C) to 145°F (63°C)
Micron Retention.....	0.1 nominal (0.4 absolute)
Weight	15 oz.
Pump Length.....	8"
Tube (w/ Prefilter) Length.....	36"
Part Number.....	320000

*Based on clean wilderness waters - Actual capacity varies

Certified to meet EPA Standard for Microbiological Purifiers against Bacteria, Cysts and Viruses!

■ Easy to Use

- Fast Flow Rate
- Lightweight, Compact
- No Hold Time
- No Double Pumping
- Indicates End of Useful Capacity

■ "All Natural" Purification - No Chemicals!

- No More Iodine Taste!

■ Effective Protection* - Removes:

- Pathogenic Cysts (e.g. *Cryptosporidia*, *Giardia*)
- Disease Bacteria
- Viruses
- Chemical Contaminants (e.g. pesticides, herbicides, toxic chemicals)
- Aesthetic Contaminants (e.g. foul taste, odor, color)
- Dirt and Sediment

■ Unique Proprietary "Structured Matrix" 3-Stage Purification Technology

1. Ultrafine Microstraining
2. Molecular Capture
3. Electrostatic Removal

= natural and ecological removal of contaminants from your drinking water

Great Tasting, Pure Water!

Other First Need® Portable Purifiers...

TRAV-L®-PURE Water Purifier

Our most versatile purifier. Equally well suited for rugged outdoor use or resort and business travel. Totally self-contained - no backwashing, hoses or chemicals needed. Just a few pumps to quickly fill a glass or water bottle. Seals tight for easy packing. Includes cordura tote bag. A favorite around the world!

BASE-CAMP™ Water Purifier

High capacity, fast flow purifier for expeditions or emergency preparedness. Newly redesigned double action pump is adaptable to gravity feed systems. Stainless steel housing for maximum durability with replaceable purification cartridge, long non-kink hosing, prefilter and cordura tote bag.
