**6 Star WELS rated infrared tapware for washroom use;
Minimises water usage and waste**

Zip Sensor Tap

Touch-Free Washroom Tapware Deck Mounted

Description

- Infrared activated touch-free sensor tap.
- 6 WELS star rated saving on water costs.
- 3.5L per minute flow rate with aggressive spray action.
- Water stops after 2 seconds when hands removed.
- Strong spray action (not cascade) for fast hand-washing at 3.5L per minute flat rate.
- Superior design eliminates potential for water run-on usually caused by reflective surfaces (avoid tap sensor lens directly over a chrome waste).
- Deck mounted modern chrome design.
- Heavy-duty construction offers resistance to vandalism or misuse.

Installation

A. Location

Tap should be mounted on a suitable sink to dispense within the basin.
Plumbing hose, tap to control box - 750mm
Plumbing hose, mains to control box - 485mm
